BOWLER OF THE YEAR **SHELLY GOODWIN**

ALEX BOERNER/TREASURE COAST NEWSPAPERS

Martin County High School's Shelly Goodwin is the Scripps Treasure Coast Newspapers 2011 Girls Bowler of the Year.

In the fast lane

Martin County's Shelly Goodwin turned hard work into leading team to state title

By Jon Santucci

Special to Scripps Treasure Coast Newspapers

STUART — Being part of Martin County's state runner-up bowling team last year didn't sit well with Shelly Goodwin.

She spent almost every day over the summer at Stuart Lanes with her coach Johnny Campbell, working on and improving her game.

"He just basically took me to the next level, to where I need to be," Goodwin said. "It was the best high school year ever."

Goodwin's statement isn't hyperbole.

In addition to leading the Tigers to the state championship, the sophomore averaged 208.79 pins in 38 regular-season games. She also was the runner-up in the individual bracket at the state tournament. Goodwin is the Scripps Treasure Coast Newspapers All-Area Girls Bowler of the Year.

"Shelly improved a lot. Last year, she averaged 177," Martin County coach Tom Baral said. "She came in and spent a lot of time this summer here and did a lot of bowling and it definitely showed."

"She just improved overall. She shot more consistently and was able to repeat shots time and time again.

Bowler of the Year

Shelly Goodwin

Martin County sophomore

Stats: Goodwin helped guide Martin County's girls to the state championship. She averaged 208.79 pins in 38 regular season games and was the runner-up in the individual bracket at the state tournament.
Coach Tom Baral's quote: "She's a true competitor. She turned it on this year. Where do you start? From her second-best finish with 989 in qualifying for state and then beating one competitor after another until the last round, she was just amazing."

I can't tell you how many times she won games throwing doubles and triples in the last frame. Then she went to states and just tore it up."

As well as Goodwin bowled during the regular season, she took her game to another level at the state tournament.

Baral estimated that Goodwin averaged close to 247 pins per game during the tournament and came within 10 pins of being the individual champion. Goodwin said after losing to Port Orange-Atlantic in the state

tournament last year, the Tigers were focused on getting revenge.

"Last year was very upsetting," Goodwin said. "We came back with the main goal to beat the people who beat us, and once we got that over with, our confidence level was very high."

"The whole time, I played the same line and used the same ball. I didn't switch once. I was in a zone and I didn't get out of it. It was intense, but it was a good feeling."

Baral said he never had seen Goodwin bowl the way she did at state.

"I can't tell you what exactly it was, but she was in the moment, she was ready to compete and able to execute all her shots. She made spares that were amazing and she didn't seem tired at all. She had the same drive and energy to execute the shot at the beginning of the day as she did at the end."

Considering how much Goodwin improved between her freshman and sophomore years, the future looks very bright. She already has the goal of helping the Tigers repeat as state champions and taking home the individual championship.

"I can't even begin to tell you how good she can be," Baral said. "She's improving more and more, and as good as she is for a sophomore, it's

Honorable
Mention

MICHELLE BARNETT
Fort Pierce Central senior

South Fork sophomore

SARAH KENNEDY
Fort Pierce Central senior

DEVON METCALF
Martin County freshman

JESSICA OLNEY
Okeechobee freshman

KAYLA PITONIAK
Treasure Coast senior

BROOKE THOMSON
South Fork senior

Coach of
the Year

Tom Baral

School: Martin County

Years with team:

Second-year girls coach
This season: After finishing second in the state tournament last year, Martin County won the District 12 tournament and went on to win the FHSAA state tournament. The Tigers went 14-1 during the regular season under Baral's guidance.

Quotable: "What can I say? It was phenomenal. To come off a second-place finish and then win it. To come back with a young team was amazing. I think the turning point for our season was when we had that one-game loss and they realized they couldn't rest. They had to go up there and bowl as a team and it really turned them around. It was huge."

“Last year was very upsetting. We came back with the main goal to beat the people who beat us, and once we got that over with, our confidence level was very high.”

Shelly Goodwin,
Bowler of the Year

“I can't even begin to tell you how good she can be. She's improving more and more.”
